Subject: Additiond to PH e-mail list

Wally and Chip:

Can you add Michael Heumann and Ken Kaufman, from Oregon Health Division, to your e-mail list for distributing the agendas and notes from the Portland Harbor Project Manager meetings.

Michael.A.HEUMANN@state.or.us
Kenneth.W.KAUFFMAN@state.or.us

Mike Rosen and I met with Michael On Friday about how OHD can stay in the loop on the project and get a sense of when they may want more involvement. We thought the meeting notes would be a good way to provide them timely information.

Thanks
